

HOT WEATHER POLICY

School will continue as normal in periods of hot weather unless the daily temperature is forecast to be excessively high for a prolonged period.

Such weather conditions are not conducive to learning, and in fact the health and well-being of students and Staff are adversely affected.

In normal summer conditions classes will operate according to the timetable as all 'hot rooms' are air-conditioned. If there is a succession of hot school days, or a forecast day or period of extreme temperatures, the School may close early.

If such weather conditions do prevail, the School will monitor the situation on a daily basis and post information about changes to school operations in the Upcoming Events panel on the Homepage of the website. Students will be informed by Staff about any changes to the normal operations.

It is quite likely that short notice of early closure will be given - ie less than 24 hours. In such circumstances if parents are not able to make other arrangements, supervision in air conditioned rooms will be provided for Junior School students until the end of the normal school day.

It is anticipated that classes for all students would operate until lunchtime each day, and that the School will close for afternoon classes only. Where possible, learning tasks which can be undertaken quietly and calmly at home, will be set. This is especially the case for senior students.

In such extreme conditions, at individual discretion, parents may choose to keep their children at home for the entire day. Please inform the School in the normal manner if this is the decision.

EARLY LEARNING CENTRE

Three Year Olds and Toddlers Groups

These groups will operate normally every day.

Four Year Old Groups

These groups will operate as for the School – ie sessions till lunch time then early dismissal. Supervision will be supplied where parents cannot make arrangements for early pick-up.

WEBSITE

Please check daily for arrangements for the following day. If any changes to the daily operations are to be made exact times for dismissal will be placed on the website.
