

Congratulations to the Year 12 Class of 2016

Shelford is the top Independent Girls' School*

At Shelford Girls' Grammar we regularly celebrate excellence in many areas of student endeavour. At the end of the year, it is always a pleasure to report the considerable academic achievements of our VCE students. This year's outstanding results reflect the dedication, hard work and commitment of our students and teachers and the support that parents have given to their daughters. Our results once again place us amongst the highest performing schools in the state.

We are justifiably proud of our students and know that after their time at Shelford they will move on with confidence to the next stage of their educational journey. We extend our very best wishes to all our departing students and thank them for all that they have contributed to our amazing community.

Polly Flanagan
