

Congratulations to the Year 12 Class of 2015

I congratulate the students of the class of 2015 for their wonderful VCE performance. These outstanding results reflect the hard work and dedication of the students and their teachers.

The VCE results are pleasing, and of course worth celebrating, but equally important is the fact that members of the class of 2015 are amazing young women who are ready to make their mark in society.

Shelford is a close knit community and the VCE results reflect the efforts of many in our community. I thank teachers and parents for their unwavering support of our students throughout the year. In particular, I send our very best wishes to our students of whom we are extremely proud.
