

Congratulations to the Year 12 Class of 2018

One of the many special things about Shelford is that students and teachers work hard to produce their best work.

Year 12 is undoubtedly a challenging year. I thank the parents and friends who have supported our students throughout the year and ensured that they maintained a balanced approach to their studies.

Much is made of the ATAR scores and I believe often too much is made of them. An ATAR score is not a predictor of future success or even potential. It does however reflect the capacity for hard work and excellence in teaching and learning, and that is important.

I congratulate the Class of 2018 and wish them well in their future studies. They are amazing young women and I have every confidence that they will continue to strive for excellence in their future endeavours. We are proud of every member of the Class of 2018.

Polly Flanagan
Principal

Highlights

The Dux of the School is Huang Feng (99.50)

The Proxime Accessit to the Dux is Jamie Riddell (98.75)
