

Skoolbag

Skoolbag is used to communicate messages to parents. Parents should download the app to ensure they receive messages related to the school. Skoolbag allows parents to customise notifications to ensure they only receive messages relevant to their child/children.

Download the Skoolbag App

Download The SkoolBag app:

From your **iPhone/iPad**, open the Apple **App Store** and search for **SkoolBag**

From your **Android device** open **Google Play Store** and search for **SkoolBag**

Create an Account

Click on the **Skoolbag App**, Click on "Don't have an account? "Sign Up" to create an account.

Enter your email address and choose a password and click on 'Next'

Enter your full name and let us know if you are a parent or teacher etc.

Follow the prompt to check your email and confirm your account

Once you have opened the App

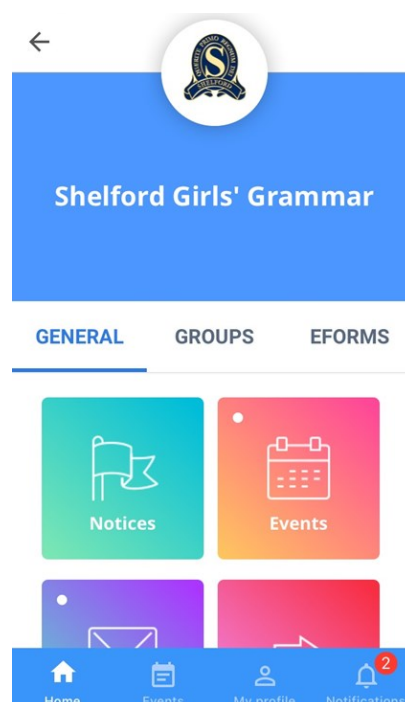

Select the 'Add/Remove' button

Type in Shelford Girls' Grammar

Select to 'Add' your school

Tap on the school's icon to see your school's content

This is what you will see

Customise your notifications

Select the groups you wish to subscribe to and click "Group Confirmed" to subscribe. This means that you only receive messages relevant to you.

For instance, if you have a daughter in Year 7 who also plays GSV Sport you would opt in to the following:

Year 7

GSV Sport Junior
